

Athletes are required to read this statement from UKA

*'An entrant shall be deemed to have made him/herself/their self, familiar with, and agreed to be bound by the UKA Anti-Doping Rules and to submit to the authority of UK Anti-Doping in the application and enforcement of the Anti-Doping Rules. The UKA Anti-Doping Rules apply to entrants participating in the sport of Athletics, for 12 months from the [date of entry], whether or not the licence holder is a citizen of, or resident in, the UK.'*

By entering the County Championships athletes or Parents / Guardians of athletes accept the above statement from UKA.

All athletes except those in the U11 and U13 age groups MUST have a valid EA competition licence in order to enter. If an U13 has had an EA Licence previously then they are required to have a valid licence.

PLEASE CAN ALL ATHLETES, PARENTS, GUARDIANS or COACHES WHEN SUBMITTING ENTRIES INDICATE THE COUNTY AFFILIATION IN THE COMMENTS BOX.

This year it has been decided that the U11 athletes will ONLY compete on either Day 1 if they are competing as a Humber athlete, regardless as to which side of the Humber they live. Or day 2 if they are competing as a Lincolnshire athlete, again regardless as to which side of the Humber they live.

U11, U13, U15 and U17 athletes are ONLY ALLOWED to take part in 3 events on any 1 day and as such should ONLY ENTER a MAXIMUM of 3 events from the prospectus for each day.

U20, Sen and Masters athletes are restricted to a maximum of 5 events per day and as such should ONLY ENTER a MAXIMUM of 5 events per day.

Once the entries have closed we will endeavor to publish the final timetable as soon as we can and at the latest by Sunday 7th May 2023 on the Roster Platform and the usual Facebook Group pages.

At this point all track events are stipulated as Finals, those that require heats and Finals once entries close will be updated to indicate this. Similarly if not enough entries to justify each age group separately they may be combined.

Where multiple age groups are scheduled to compete together athletes will use their correct age group implements in field events, if more than 1 pool of any field event is needed the best 3 athletes from each County will receive the medals regardless of which pool they competed in.

If it is a track event the different age groups will receive medals accordingly for each county.
