

This is the link to show the local housing estate close to Bourne Woods - the venue for the Lincs League on Sun 19 Nov:

<https://www.google.co.uk/maps/@52.7710707,-0.3872953,16z>

Parking in the Bourne Woods Car park (PE10 0LG) has space for only 75 cars as we will be unable to park on the verge this year. There will be parking attendants who will turn drivers away once this space is full so the map shows where there are local roads to park on.

This map shows the local housing estate from where you can enter the woods on Beech Avenue (indicated Forestry Commission). Athletes follow the path from the Forestry commission until they reach a major junction and follow the path to the left to 'Fiveways' (where 5 paths meet). This will take around 10 mins to walk (from the forestry commission office)

We are inviting athletes with flags and tents to meet at the area opposite the woods car park (formerly a park) and to walk down to the race start from here. Race HQ, toilets, First Aid and results will be located here.

The local estate is all in close proximity to the entry on Beech Avenue, but car owners must respect local residents by not parking over driveways; cause difficult chicanes on roads; park illegally.

There is a local Sainsbury but parking is restricted here to 2 hours.

Bourne Athletes are requested to walk to the venue to free up space, or park further out.

Car sharing is to be encouraged.
