

LINCOLNSHIRE ATHLETIC ASSOCIATION

Athletes are invited to apply for consideration for selection on the Lincolnshire Inter-County Track and Field Team. The competition dates and venues, where known, are listed below. **Please only complete this form if you are sure you are available for the competitions.** Please answer as fully as possible all questions asked to help with the organisation of these events. The information supplied will be used by the Lincolnshire A.A. Team Managers for the respective age groups for the purposes of team selection, notification and competition entry and will be destroyed after the relevant 2019 inter county match has taken place.

Would athletes and their parents/coaches please note that this is a team event with athletes being selected for an event that will enable the team to score as well as possible. We appreciate that this means some athletes may be selected for an event that they do not consider to be their best, or that an athlete with apparently less ability has been selected in "their" place. Please note that this is done for the best of reasons and no offence is intended in order to field the strongest Lincolnshire team on the day.

Northern Inter-County U15/U17s at Middlesbrough on Sunday July 7th 2019 Please circle: YES NO

U13/U15s Inter-Counties at Hull on Saturday September 14th 2019 Please circle: YES NO
